## SOCIAL ENTERPRISE

Ken Rudd and Andy Turcotte are participants of Community Employment. These two gentlemen are endeavoring to expand the existing Arrowsmith Service business. Currently Arrowsmith Services produce Boom Targets and Dead head markers; it is expanding to include Survey Stakes. Arrowsmith Services has produced Survey Stakes for City Hall's engineering department and McGill & Associates.

Quote from Engineering Technician Boyd Wong of the City of Port Alberni, "We are pleased with the quality of the survey stakes and I will be recommending to the City of Port Alberni and any others to purchase from Arrowsmith Services."

Quote from Wendy Maurice of McGill & Associates Engineering LTD, "we are very pleased with the quality of the product and the quick turnaround for delivery."

To order Survey Stakes, Boom Targets or Deadhead Markers from Arrowsmith Services call 250-720-1728 or email [ArrowsmithServices@hotmail.com](mailto:ArrowsmithServices@hotmail.com)

Ken is excited about becoming part of this Social Enterprise. He is looking forward to learning new skills and meeting new customers.

When approached by Community Employment about this opportunity, Ken said, "Sure I just want to work and keep busy." Community Employment provided on the job training in the production of Survey Stakes. Ken is ready to begin.

Andy has worked in jobs such as lawn maintenance, janitorial and the food industry. He is excited about being part of Arrowsmith Services and learning something new.

The main objective for Arrowsmith Services is for adults with developmental disabilities in the Port Alberni area to have the opportunity to have real work for real pay, learn employment skills, build social networks and contribute to the community.
